The page contains a table listing various universities and their programs, but the content is not clearly structured as a table. It appears to be a list of universities with brief descriptions of their programs. Here's a summary of the information provided:

- **University of Idaho**: Offers a Bachelor of Science in Food Science and Human Nutrition.
- **UC Davis**: Offers Bachelor of Science and Doctor of Philosophy in Food Science.
- **San José State University**: Offers Bachelor of Science in Food Science.
- **University of California Long Beach**: Offers Bachelor of Science in Food Science.
- **Cornell University**: Offers Bachelor of Science and Doctor of Philosophy in Food Science.
- **Columbia University**: Offers Bachelor of Science, Doctor of Philosophy, and Master of Science in Food Science.
- **California Polytechnic State University**: Offers Bachelor of Science in Food Science.
- **University of Washington**: Offers Bachelor of Science and Bachelor of Arts in Food Science.
- **Michigan State University**: Offers Bachelor of Science in Food Science.
- **University of New York**: Offers Bachelor of Science in Food Science.

Each entry includes the university's name, location, degree offered (Bachelor of Science, Master of Science, Doctor of Philosophy, or Combined MD-PhD), and notes on the program's focus areas. The table also mentions cooperative programs and program lengths.
University of Idaho

College of Science

Department of Food Science & Human Nutrition

M.S. in Food Science

Prepares students for careers in food science, technology, and related fields.

Doctor of Philosophy in Food Science

Concentrations: Food Science and Human Nutrition, Food Science and Technology.

Bachelor of Science in Food Science

Prepares students for roles in industry, government, and academia.

Bachelor of Science in Food Science and Human Nutrition

Concentrations: Food Science and Human Nutrition, Food Science and Technology.

Washington State University

College of Agricultural and Life Sciences

Department of Food Science & Human Nutrition

M.S. in Food Science

Prepares students for careers in food science, technology, and related fields.

Doctor of Philosophy in Food Science

Concentrations: Food Science and Human Nutrition, Food Science and Technology.

Bachelor of Science in Food Science

Prepares students for roles in industry, government, and academia.

Master of Science in Food Science

Concentrations: Food Science and Human Nutrition, Food Science and Technology.

Master of Science in Food Science and Human Nutrition

Concentrations: Food Science and Human Nutrition, Food Science and Technology.

University of Nebraska-Lincoln

College of Agriculture, Engineering, and Professional Studies

Department of Food Science & Human Nutrition

M.S. in Food Science

Prepares students for careers in food science, technology, and related fields.

Doctor of Philosophy in Food Science

Concentrations: Food Science and Human Nutrition, Food Science and Technology.

Bachelor of Science in Food Science

Prepares students for roles in industry, government, and academia.

Master of Science in Food Science

Concentrations: Food Science and Human Nutrition, Food Science and Technology.

Master of Science in Food Science and Human Nutrition

Concentrations: Food Science and Human Nutrition, Food Science and Technology.

University of Nebraska-Omaha

College of Agriculture, Engineering, and Professional Studies

Department of Food Science & Human Nutrition

M.S. in Food Science

Prepares students for careers in food science, technology, and related fields.

Doctor of Philosophy in Food Science

Concentrations: Food Science and Human Nutrition, Food Science and Technology.

Bachelor of Science in Food Science

Prepares students for roles in industry, government, and academia.

Master of Science in Food Science

Concentrations: Food Science and Human Nutrition, Food Science and Technology.

Master of Science in Food Science and Human Nutrition

Concentrations: Food Science and Human Nutrition, Food Science and Technology.

University of Illinois, Urbana-Champaign

College of Agricultural, Consumer, and Environmental Sciences

Department of Food Science

M.S. in Food Science

Prepares students for careers in food science, technology, and related fields.

Doctor of Philosophy in Food Science

Concentrations: Food Science and Human Nutrition, Food Science and Technology.

Bachelor of Science in Food Science

Prepares students for roles in industry, government, and academia.

Master of Science in Food Science

Concentrations: Food Science and Human Nutrition, Food Science and Technology.

Master of Science in Food Science

Concentrations: Food Science and Human Nutrition, Food Science and Technology.
